DuraTech Industries
A Global Printing Manufacturer located in La Crosse WI

PRICING/PROCESS ANALYST
Job Summary
The Pricing/Process Analyst creates and maintains a quote-to-win system that uses artificial intelligence to take advantage of DuraTech’s manufacturing capabilities. This position is responsible for designing, implementing and maintaining costing spreadsheets and configurators within the ERP system. Serves as a liaison between our manufacturing departments and the Process Planning department to insure any changes or updates to our manufacturing processes are communicated and implemented. Provides training and support to the Process Planning department.

Qualifications
• High school diploma required; Associate degree in engineering, accounting or related field preferred.
• Minimum of three years’ experience in screen printing or related industry required.
• Experience in cost accounting preferred.
• Knowledge of the screen printing manufacturing process.
• Excellent math skills.
• Ability to work proficiently in Microsoft Office with excellent skills using Excel formulas.

We offer competitive wages, benefits, and a great team work environment. Qualified, interested candidates should e-mail a resume to HR@duratech.com or stop by for an application at 3216 Commerce St. La Crosse, WI 54603. Deadline is June 7, 2015. No phone calls please.
